

The Point Weekly Bulletin

February 27th – March 6th 2010

Dogs on Leashes

Residents are reminded that dogs are required to be on a leash while taking them through the common areas of the building. Even if your dog is friendly, other residents may not appreciate your dog coming up to say hello, and it can make them very uncomfortable. Please be a considerate neighbour and leash your pet. Any residents found to be bringing unrestrained animals through the common areas of the building may be fined.

Storage Lockers

Residents are reminded that if they have not replaced the original lock that their storage locker came with, that they are encouraged to purchase a new lock and replace it. The original locks are not as strong as locks that can be purchased at most local stores.
