GYM USAGE – Adults only please

Please be reminded that the building has a rule which states children under the age of 14 are not permitted in this area – with or without an adult. The concern is for their safety around the equipment and also the care and maintenance of the equipment.

Please refer to the building website at www.the-point.ca – click on the 'Rules and Bylaws' tab to download and print a copy of the **BCS#2429 General Rules for All Amenities**.

RESPONSIBLE PET OWNERS

As a pet owner it is your responsibility to clean up after your pets. If your dog has trouble making it to the outside of the building before piddling, you should carry them until you get there. Alternatively, carry paper towel and a plastic bag for cleaning up.

Finding a puddle of urine in front of the elevators is disgusting. Even more disgusting is the owner of the pet leaving it there for someone else to clean up.

Thank you to all the responsible pet owners that live in the building.
