NO SMOKING IN COMMON AREAS

Please be aware that there is no smoking in common areas of the building. This includes the media room, amenity room, pool and gym areas, elevators, all hallways, entrances and the parking garage.

If you have rented the amenity or media room, this does not allow you or your guests to smoke in that area of the building.

GARBAGE ROOM

Please make sure all garbage and recycling is placed in the appropriate containers in the Garbage Room. Rinsing out any recyclable containers before dropping them off would reduce the smell in the room. No garbage should be placed in the blue bins – only recyclables. Please place garbage in the garbage compacter and close the door securely, starting the compacter. Any large items should be brought to the dump or recycling station by the owner. Anyone seen on camera leaving large, unrecyclable items in the garbage room will be fined.
