

The Point Weekly Bulletin

February 17 to February 23, 2009

**Have you had your vehicle stolen?
Had your car vandalized, windows smashed even though
there is nothing inside worth taking?
An expensive bicycle stolen or locker broken into?
You can help prevent this from happening!**

STOPPING FOR THE GATE

Please make a habit of stopping for the gates on P3 and P2, wait till closed until moving on, it only takes a few seconds . If you don't know who is in the car behind you, don't feel guilty about not letting them in or out. If someone is waiting for the gate to close before you can proceed, please be patient. If everyone does their part in this small way the building will continue to be safe and secure to live in. Thank you!

Anyone found not waiting for the gates will be fined. Help out with building security by emailing council with the date and time of an offence.

SPEAKER AT DOUGLAS COLLEGE

The Record, Published: Saturday, February 14, 2009

Concerned about climate change? The public is invited to see renowned botanist Richard Hebda speak at the New Westminster campus of Douglas College on Tuesday, February 24 in room 2203. His presentation, *Climate Change in British Columbia: Lessons from the Past, Strategies for the Future*, takes place from 11 a.m. to noon, with time for questions afterwards. Admission is free.
