

# The Point Weekly Bulletin

May 31<sup>st</sup> to June 7<sup>th</sup>

## Heat in Lobby & Pool/Gym Areas

The Strata Council has recently lowered the temperatures in the hallways on levels 2 through 22. However, due to mechanical/programming difficulties, we have not yet been able to do the same in the Lobby and Pool/Gym areas. We have contractors coming on-site next week to hopefully resolve the problem. This will allow us to lower the temperatures in these areas to a more appropriate level given the weather outside.

## Parkade Yellow Line

As you may have noticed, a yellow line has been placed inside the Main Parkade Gate area on P2. This yellow line is to act as a guide on the location to stop and wait for the gate to close. The council has been happy to see people waiting for the gate to close constantly, and thus increasing the security. As promised, anyone found not waiting will continue to be fined. Going forward, please ensure you wait for the gate to close behind the yellow line.

## New Strata Council Email Address

For any concerns or inquiries to the Strata Council, please email [info@the-point.ca](mailto:info@the-point.ca) starting this week. The old strata council email address of [thepointstrata@gmail.com](mailto:thepointstrata@gmail.com) is no longer in use. Furthermore, we will soon be launching a website so you can read bulletins online, share information and more. We will announce once the website is ready in the month of June.

## Moving without Notice

All residents are reminded that if they are moving any large items, or moving in or out of their suites, that they MUST book the elevator. Numerous calls were received about an un-authorized move in the past week. People found to be moving large items without the elevator booked (and thus the blankets installed to protect the mirrors) will be fined and be liable for any damage to the mirrors.

### What do you think?

Your Strata Council wants to know your questions and what you think. Email us at [info@the-point.ca](mailto:info@the-point.ca)
