

The Point Weekly Bulletin

June 19th to June 28th

Gym Closure

The Gym will be closed on Saturday, June 21st from 2pm to 8pm. This is to facilitate the re-arranging of gym equipment. This will allow us to make better use of the space and the future possible installation of additional exercise mats and equipment in the future. The pool, sauna and hot tub will be open during this time.

Garbage in Garbage Room

In our Garbage and Recycling Room, no garbage should be left outside of the compactor or recycling totes. If the item(s) you are disposing of do not fit in the compactor or totes, you have to make your own personal arrangements for the goods through private services like 1-800-GOT-JUNK. The closest municipal garbage and recycling depot is in Coquitlam at 1200 United Way (near Toys R Us off Lougheed Highway). Any items left outside of the compactor may be returned to your suite and fines levied per item. The same holds true for any items found in any Emergency Exit Stairwells.

Cleaning Decks

Residents are reminded to not have any water or other material coming off their decks when cleaning them. This is for the cleanliness and safety of all residents who are living below your unit. If you do need to clean your deck, please ensure all sentiment is stopped from falling.

When to Call Baywest Emergency Line

Baywest has an Emergency Line (604-591-6060) that can be used in an emergency. Emergencies that would dictate calling this line include any in-suite floods, leaks, gas leaks, fires (after the fire is out), or anything that is causing any damage to a common area. For non-emergency issues, please email your Strata Council or Susie Czinger, our Strata Manager.

What do you think?

Your Strata Council wants to know your questions and what you think. Email us at info@the-point.ca
