June 28<sup>th</sup> to July 5<sup>th</sup>

## Dog Walking in Parkade

All residents are reminded that dogs that are being walked should not be allowed to go to the washroom in the parkade. This is because their "business" can stain the parkade floor and is hard to clean. Please take all dogs outside.

## Canada Day Activities

Next Tuesday may be Canada Day, but there are some activities going on this Saturday and Sunday – one of which starts at the Police Station at 6<sup>th</sup> and Carnarvon on Saturday at 11am. On Tuesday there are events taking place at Queen's Park and a Fireworks show (at 10pm) at The Quay. There are also festivities happening around Canada Place in Downtown Vancouver.

## The Media Room Now Open

After being closed for most of this year, the Strata Council is pleased to announce that the Media Room is once again open and available. The Media Room is open the same hours as the Amenity Room (Sunday to Thursday 9am to 10pm; Friday and Saturday 10am to 11pm). There are instructions on how to operate the equipment in the room. An online scheduling system for reserving this room will be starting in July. For right now it is first come, first serve.

If you do notice any suspicious activities in the media room, please phone the Baywest Emergency Line at 604-591-6060. Also, all activities in the media room are now recorded on video camera 24 hours a day, but do not broadcast on the in-suite channel (channel 399 on Shaw).

## Satellites

All residents are reminded that no satellites are permitted on any decks (or mounted to the building) without the prior permission of the strata council. Fines will be levied.
