

The Point Weekly Bulletin

July 26th to August 2nd

Parade Cleaning

All residents are reminded that on July 30th and 31st the Parkade will be cleaned. On July 30th, all residents parked on P1 & P2 will have to remove their cars between 9am and 4pm to facilitate this cleaning. Then, on July 31st, all residents parked on P3 & P4 will have to remove their cars between 9am and 4pm. During these days residents are encouraged to make other parking arrangements or drive their vehicles to work.

Celebration of Light Fireworks

Please remember that all dogs and cats are not permitted to 'do their business' in any emergency fire stairwell or common area. This includes the parkade. Any residents found deliberately using these areas for their animals rather than taking them outside will be fined appropriately as this is a serious health and safety hazard.

Parking Spot Switch

Two residents in the building would like to transfer their small car parking spot for a large car parking spot. This is because the size of their vehicles makes it nearly impossible for them to park in the Small Car spot they were assigned. If you would be willing to trade parking spots, please email info@the-point.ca. Don't forget you can also post on the forum (at www.the-point.ca) if you want to sell or trade things with other residents in the building.

Celebration of Light Fireworks

This Wednesday, at English Bay in Vancouver, is HSBC's Celebration of Light starting at 10pm. As well, on Saturday August 2nd is the Finale with all the participants coming together for a truly amazing display. To find the best way to go to this event by transit, please visit www.translink.bc.ca

What do you think?

Your Strata Council wants to know your questions and what you think. Email us at info@the-point.ca or visit www.the-point.ca to learn more about your building
