

The Point Weekly Bulletin

July 5th to July 12th

Parkade Cleaning

On July 30th and 31st our parkade will be getting cleaned and power washed. To facilitate this cleaning, on July 30th cars parked on P1 and P2 will need to vacate their stalls for the day. On July 31st cars parked on P3 and P4 will need to vacate their stalls for the day. During this time residents are encourage to drive their cars to work (if they normally take transit), park in the visitor's parking stalls or park on the street. More detailed plans and communications will be forthcoming.

Also, please remember fire alarm testing will take place on August 5th and you will need to be home for that testing.

Live/Work Intercom & Access Changes

All Live/Work units on the P1 level can now, using the intercom, grant visitors access to the P1 level and Lobby level in the elevators. As well, you now have access to the second floor to use the balcony area.

The Point Website is Live (www.the-point.ca)

The Strata Council is pleased to announce that The Point website is now available. This website provides you information about the building, what's nearby, and more. You can also download electronic copies of the Weekly Bulletin. For those of you interested, there is also a bulletin board and RSS feed (so you can be notified of changes to the website).

Local Farmer's Market

There is a local farmer's market in New Westminster. It operates every Thursday from 3pm to 7pm in the parking lot behind City Hall on Royal Avenue. To learn more about the farmer's market please visit www.rcfm.ca.

What do you think?

Your Strata Council wants to know your questions and what you think. Email us at info@the-point.ca
