

# The Point Weekly Bulletin

September 1<sup>st</sup> to September 6<sup>th</sup>

## Strata Fees Due

The Strata Council would like to remind all residents, especially those not on Pre-Approved Payment, that their Strata Fees are due by **Monday** morning. Strata Fees can be mailed/dropped off at the Baywest Offices (address is available at [www.baywest.ca](http://www.baywest.ca)).

Any residents with overdue strata fees will be charged interest on any amount owing and liens will be placed on all units for overdue strata fees. The non-payment of strata fees causes significant financial issues for the building and continues to make it hard to operate the building effectively.

## Summer is Nearly Over

Sadly, summer is nearly over and school is starting again. So, thank you to all residents for a great summer at the building that was issue free.

Also, remember for the next week to leave extra time to commute to your destinations, especially in the mornings and afternoons. With students returning to school, the roads will be busy. Police will also be especially active in school zones to ensure you follow the speed limit.

## Removing of Weekly Bulletins

Residents are reminded that The Point Weekly Bulletin is available at [www.the-point.ca](http://www.the-point.ca) under the *Announcements>Weekly Bulletins* section. Removing of these informational bulletins from around the building makes it harder to effectively communicate with **all residents**. So, if you need a copy of these bulletins, please get them from the website electronically at [www.the-point.ca](http://www.the-point.ca).

All residents are also encouraged to visit [www.the-point.ca](http://www.the-point.ca) to learn more about the building and what is going on in it.
